EPARequestNJHDG Harbor Database Dec2003-2014 - QC Complete w.Precip.xlsx

Bill – FYI - You weren't cc'ed on this.

Providing this dataset was an EPA action item from our June 2016 modeling meetings. It came up again last week as we had not yet provided it.

All,

I have attached the NJHDG WQ monitoring data. If you have any questions once you take a look at the file please let me know.

Regards,

James

I am resending the attachments to include Jennifer, Aaron, and Scott on the distribution, per request from James below.

Thanks,

Peter

Subject: Lower Passaic River RI/FS - modeling meeting follow-up

Ed and James,

Thanks for the productive meeting yesterday.

As requested, attached are the materials reviewed on the following topics (agenda items 6 and 7):

- Investigation of the CFT Model Fluff Layer

- Investigation of Bulk Density Representation in OC/CFT Models

Regards,

Peter
